**IN THE UNITED STATES DISTRICT COURT DISTRICT FOR  
THE DISTRICT OF UTAH, CENTRAL DIVISION**

---

**RUSSELL G. GREER,**

Plaintiff

v.

**JOSHUA MOON**, publisher of the website  
Kiwi Farms, **and KIWI FARMS**, a website

Defendants

**PLAINTIFF'S RESPONSE TO  
DEFENDANTS' NOTICE OF  
SUPPLEMENTAL AUTHORITY**

Case No.: 2:20-cv-00647

Judge David Barlow  
Magistrate Judge: Jared C. Bennett

Plaintiff Russell Greer responds and says that the email from Andrew Grimm doesn't disprove Plaintiff's Motion to Stay the case. The email provided by Defendants clearly shows Grimm saying that the DJF (Digital Justice Foundation) currently does not represent Greer, but that DJF was reserving the right to represent Plaintiff. This is exactly what Plaintiff explained in his Motion to Stay. (Doc 77. Paragraph 24: "Hardin took advantage of this unequal playing field by inquiring of Plaintiff's appellate counsel on 12-19-23 if they were representing him at the district level. The DJF *answered no because the kinks and logistics of district court representation were still being worked out.*").

As stated in the Motion to Stay, there are a few stipulations DJF wants from Plaintiff before committing to representation. (Doc. 77, paragraph 10). Plaintiff has to stay the case to fulfill those stipulations, one of which is getting the funding to re-retain DJF, which he can't do with important deadlines.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'R Greer', with a stylized, wavy line extending from the end.
